

LIST OF ATTENDEES

CORNELL SPEAKERS

Geoff Coates • Professor, Chemistry & Chemical Biology • Cornell University
Emmanuel Giannelis • Professor, Materials Science & Engineering • Cornell University
Juan Hinestroza • Professor, Fiber Science & Apparel Design • Cornell University
Yong Joo • Professor, Chemical & Biomolecular Engineering • Cornell University
Donald Koch • Professor, Chemical & Biomolecular Engineering • Cornell University
Chris Ober • Professor, Materials Science & Engineering • Cornell University
Anil Netravali • Professor, Fiber Science & Apparel Design • Cornell University
Ulrich Wiesner • Professor, Materials Science & Engineering • Cornell University

OFF-CAMPUS GUESTS

Madhu Anand • Conoco Phillips
Sandra Boston • Bunge North America
Ann Burnell • Sabic Innovative Plastics
Elizabeth Burns • Cabot Corporation
Juan Fernando Ruiz Campuzano • EAFIT Universidad
Brad Coltrain • Kodak Research Laboratories
Dennis Conard • Smart Energy Technologies
Glen Cunkle • Ciba Specialty Chemicals
Wayne Ferrar • Eastman Kodak Company
Dan Henkel • Pall Corporation
Bruce Jordan • Leonardi Manufacturing
Ronald Krol • Summit Lubricants, Inc.
Joe Leonardi • Leonardi Manufacturing
Pinyen Lin • Xerox Research Center Webster
Nick Nikolaidis • Procter & Gamble
Kristie Phillips • Cotton Incorporated
Kate Redmond • Vorbeck Materials
Alicyn Rhoades • Bayer Material Science
Anne Foutel-Richard • Bretagne Valorization
Daniel Ricoult • Corning Incorporated
Jeff Sama • NY State Office of Regional Affairs and Permitting
Andrew Scirri • Kensa Group, LLC

Himanshu Shah ·
Mike Slowik · Novomer
James Smith · Smith Incorporated
Paul Smith · Xerox
Ralph Truitt · Corning Incorporated
Hongbin Zhao · Pall Corporation

ON CAMPUS GUESTS

Mahmut Aksit · Graduate Student, Materials Science & Engineering · Cornell University
Alejandra Andere-Jones · Graduate Student, Fiber Science & Apparel Design · Cornell University
Juan Araque · Research Associate, Chemical & Biomolecular Engineering · Cornell University
Hitesh Arora · Graduate Student, Chemical & Biomolecular Engineering · Cornell University
Craig Beierle · Campus Life · Cornell University
Rama Bhattacharjee · Postdoc, Materials Science & Engineering · Cornell University
Chidori Boenheim · Technology Commercialization & Liaison Officer, CCTEC · Cornell University
Youngjin Cho · Postdoc, Materials Science & Engineering · Cornell University
Tracy Davenport · Special Programs Coordinator, CCMR · Cornell University
Christina Diaz · Graduate Student, Fiber Science & Apparel Design · Cornell University
Jason Fang · Graduate Student, Materials Science & Engineering · Cornell University
Ajay Garg · Visiting Scientist, Molecular Biology & Genetics · Cornell University
Jurriaan Gerretsen · Associate Director, CCMR · Cornell University
Abdurrahman Gumus · Grad Student, Electrical & Computer Engineering · Cornell University
Tobias Hanrath · Assistant Professor, Chemical & Biomolecular Engineering · Cornell University
David Jung · Assistant Director, KAUST-CU · Cornell University
Jeung Gon Kim · Postdoc, Chemistry · Cornell University
Jun Tae Kim · Postdoc, Fiber Science & Apparel Design · Cornell University
Marie Krysak · Graduate Student, Materials Science & Engineering · Cornell University
H. Kumar · Postdoc, Fiber Science & Apparel Design · Cornell University
Zihui Li · Graduate Student, Chemistry & Chemical Biology · Cornell University
Hanying Li · Postdoc, Chemistry & Chemical Biology · Cornell University
Senthil Kumar Lingamoorthy · Graduate Student, Fiber Science & Apparel Design · Cornell University
Yi Liu · Graduate Student, Chemistry & Chemical Biology · Cornell University
Michael Lowe · Graduate Student, Chemistry & Chemical Biology · Cornell University
Scott Macfarlane · Senior Technology Manager, CCTEC · Cornell University
Julia Mundy · Graduate Student, Applied & Engineering Physics · Cornell University
Rie Nakamura · Visiting Fellow, Fiber Science & Apparel Design · Cornell University
Chris Oriall · Graduate Student, Chemistry, Materials Science & Engineering · Cornell University
Marvin Paik · Graduate Student, Materials Science & Engineering · Cornell University

Robin Nichols • Industrial Partnerships Coordinator, CCMR • Cornell University
Jon Petrie • Graduate Student, Materials Science & Engineering • Cornell University
John Pochan • Visiting Scientist, CCMR • Cornell University
Haibo Qi • Graduate Student, Chemical Engineering • Cornell University
Genggeng Qi • Postdoc, Materials Science & Engineering • Cornell University
Rich Robinson • Professor, Materials Science & Engineering • Cornell University
Hiroaki Sai • Graduate Student, Materials Science & Engineering • Cornell University
Jing Sha • Graduate Student, Materials Science & Engineering • Cornell University
John Sinnott • Programs Coordinator, Industrial Partnerships, CCMR • Cornell University
Juho Song • Graduate Student, Chemical Engineering • Cornell University
Morgan Stefik • Graduate Student, Materials Science & Engineering • Cornell University
Aaron Strickland • Postdoc, Food Sciences • Cornell University
Sasikrishnan Subramanian • Graduate Student, Geological Sciences • Cornell University
Liangfeng Sun • Postdoc, Applied & Engineering Physics • Cornell University
Garugara Syndaram • Postdoc, Materials Science & Engineering • Cornell University
Teeraporn Suteewong • Graduate Student, Materials Science & Engineering • Cornell University
Celia Szczepura • Administrative Manager, KAUST-CU • Cornell University
Martin Teschl • Senior Technology Commercialization & Liaison Officer, CCTEC • Cornell University
Heloise Therien-Aubin • Postdoc, Materials Science & Engineering • Cornell University
Michael Turk • Graduate Student, Physics • Cornell University
Susi Varvayanis • Director, Applied Resources, Center for Life Science Enterprise • Cornell University
Loan Vo • Graduate Student, Materials Science & Engineering • Cornell University
Michèle van de Walle • Director, Industrial Partnerships, CCMR • Cornell University
Huiqiong Wang • Postdoc, Applied & Engineering Physics • Cornell University
Maura Weathers • Facility Manager, CCMR • Cornell University
Mary Welch • Graduate Student, Chemistry, Materials Science & Engineering • Cornell University
Abby Westervelt • Director of Corporate & Foundation Relations, College of Engineering • Cornell University
Chung-Han Wu • Graduate Student, Materials Science & Engineering • Cornell University
Youyong Xu • Postdoc, Materials Science & Engineering • Cornell University
Hsiu-Yu Yu • Graduate Student, Chemical & Biomolecular Engineering • Cornell University
Angela Yontz • Administrative Assistant, KAUST-CU • Cornell University
David Zax • Associate Professor, Chemistry & Chemical Biology • Cornell University
Wilson Zhou • Graduate Student, Electrical & Computer Engineering • Cornell University
